Another James/Jason drabble. Enjoy!

„Waaiiiit a minute, fucker! Not so fast."

James grabbed the backside of Jason's shirt, dragging the guy with him. He nearly strangled the bassist.

"Hey, lemme go!" Jason cried out.

But James' hand already was inside Jason's pants, the fingers around Jason's cock, getting him hard.

Jason panted in frenzy, moaning desperately. James' erection was on his ass what got Jason a helpless wreck, and he thrust his ass back against James' crotch.

"Let's fuck," James hoarsely whispered into Jason's ear.

Jason moaned.

James opened a door, pushing Jason inside.

"Not AGAIN a closet!" Jason howled. "I want a BED!"
